Le Soufflé Bouche

Calici soffiati a bocca

Nata 2000 anni or sono, l'arte del vetro soffiato a bocca richiede grande rigore, pazienza ed abilità.

In collaborazione con i migliori maestri del vetro soffiato, Lehmann Glass crea collezioni moderne, originali e prodotte nel rispetto della più pura tradizione.

Ilsoffiatoaboccegagarantiscecalicidiexcellente qualità e consente la libertà di creare nuove forme. L'eleganza, la leggerezza e la qualità di questi calici rendono il momento della degustazione del vino unico e speciale.

Mouth-blown glass

Glass blowing is an art that dates back 2000 years and requires high levels of rigour, patience and know-how.

In collaboration with masters glassblowers, Lehmann Glass designs modern, original collections, manufactured in the purest tradition.

Mouth blowing guarantees excellent quality glasses and allows the freedom to create new shapes. The elegance, lightness and quality of this glass make the moment of wine tasting unique and special.

Calici soffiati a macchina

I calici soffiati a macchina ci permettono di lavorare con prodotti di altissima qualità e allo stesso tempo con un eccezionale rapporto qualità/prezzo, così da poter offrire sempre un'ampia scelta di prodotti adatti a tutte le esigenze e a tutte le situazioni.

The machine-made glass

The machine-made glass allow to work with high-quality products and, at the same time, with an extraordinary value for money, so that we can always offer a wide range of products, suitable for all needs and all situations.
